Important Operational Notes

- Monthly storage fees are billed automatically on the 1st day of every month.
- First month storage fees and Receiving & Inventory Setup fees are due on every new incoming inventory shipment.
- It is the vendor's responsibility to ship inventory to the USA Errands warehouse using their preferred shipping method.

- Vendors must create and submit a detailed PSN (Pre-Shipment Notification) before shipping inventory to the warehouse.
- Vendors are responsible for maintaining sufficient wallet balance at all times.
- Receiving & Inventory Setup fees apply to all inbound inventory, including palletized shipments.
- Shipping costs are separate from fulfillment fees and are calculated in real time using carrier rates.
- USA Errands reserves the right to re-tier incorrectly declared inventory.
- Pallets must remain stable, shrink-wrapped, and warehouse safe at all times.

For enterprise pricing, oversized inventory, custom fulfillment workflows, or bulk pallet storage, vendors may contact USA Errands directly for a customized quote.
